EDITOR-IN-CHIEF'S MESSAGE

10.5005/jojs-6-1-iv

It gives me pleasure to bring out this issue. JOJS is now indexed with DOAJ, and we keep working to reach higher and get more indexing. Our process of acceptance of manuscript will be more transparent, ethical, and methodical. I request our authors to cooperate and get benefited.

This issue has a greater number of articles than the previous one with geographical diversity. I request the TNOA members to spread this message wider and help us to get more articles across the globe. Members are requested to contact us for any help related to the publication.
